

BREAKTHROUGH

Businesses greater than 15 FTEs

Moore Stephens South Australia

Service Provider Award

Aim: To recognise a business providing services to the food industry that contributes to development activity and industry growth.

Questions (500 words maximum per question)

1. Describe the services and approach that you have taken to evolve / improve your services.
2. Describe your approach to the initiation, development and building of your relationship with your food industry clients over the past 12 months. Please include examples of how you have achieved this.
3. Describe how your business has contributed to the overall growth of the industry.
